

# GET THE MOST OUT OF YOUR PARTNERSHIP

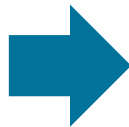

Volunteer with Blue Thumb or give an in-kind donation.

Expand your reach, speak to the right audiences, and get your name out there! You can also get 50% off your fee (more info in partner agreement).

Use our free online learning series.

Everything you need in one place to complete a yard project. Learn about pollinator plantings, raingardens, turf alternatives, and more. Filled with many resources, it's great as a first step or as a guide for a DIY project.

Host a workshop.

A great way to educate your community on various earth-friendly practices and share all the resources available to take action now. We provide you everything you need.

Use our website

Our website has a plethora of resources including grants, plant lists, how-to guides, and design templates. We also have a partner finder tool and plant finder tool.

Partner network expertise and peer support

Our partners are your partners. We are here to support each other. Networking opportunities are available at Blue Thumb events.

Sponsorships

Want more targeted reach? See our different sponsorship packages that have many benefits including marketing and analytics reporting. Some packages include your partnership fee!
