

Native Plant Nurseries and native vegetation consultants for NORTHWEST MINNESOTA

Some nurseries on this list sell a mix of Minnesota native, non-native, or horticultural varieties of plants. Minnesota wildlife including pollinator species benefit most from Minnesota native plants because they developed together. To find out what is native to your area, visit the [DNR's MN Taxa Plant lists](#) or the [MN Wildflowers website](#).

Supplier	Upland Perennials	Aquatic Perennials	Shrubs and Trees	Bee Lawns ¹	Products and Services
