If your native garden is a different shape than shown on this plan, that’s ok. These notes will help you place the plants in the right spots.

- Consider where you will view the garden from when placing plants.
- Plant in clusters or groups of 3 or more.
- Put shorter plants near the outer edge.
- Put taller plants near the back or center.
- Use the plant list as a guide for heights. It is organized from shortest to tallest plants.
- Have fun. Don’t stress. Enjoy your new garden and pollinator guests!
