

Lawns to Legumes Individual Support

Important Links for Fall 2023 Grantees

Download this handout for easy access!

Where to Start:

- **Grantee Guide**: Your one-stop shop for successfully completing a Lawns to Legumes project and receiving reimbursement.
- **Steps to Plant for Pollinators**: How to get your project in the ground, from planning to maintaining. Includes guidance on different project types.
- **Eligible Expenses Guide**: Details on what project purchases are eligible for reimbursement and your 25% match requirement.

Who to Ask:

- For general questions, check the FAQ at the bottom of the **Grantee Guide** first – we add common questions as they come up!
- For other questions about Lawns to Legumes program requirements, email the L2L Helpline (l2lhelp@bluethumb.org)
- For questions about your pollinator planting, ask a question in **The Hive** or contact your coach if you have one (coaches will be matched with grantees in mid-August).
