

Lawns to Legumes

Program Outcomes & Accomplishments

2019- 12.18.2024

The Lawns to Legumes program aims to increase habitat for at-risk pollinators in residential settings across the state by providing people with reimbursement-based funding, workshops, coaching and gardening resources. Learn more: www.bwsr.state.mn.us/L2L OR bluethumb.org/lawns-to-legumes

Funded 12,200
pollinator habitat
projects
